Issue One . Friday Morning

AnimeExpo '94 is Here!

All the news that's fit to print. And other stuff, as well.

Welcome to AnimeExpo '94! This year we have a number of fun and interesting events planned for your enjoyment. There are 35mm films, live programming (panels), AXTV, the Dealers' Room, and finally, your friendly neighborhood newsletter — *Anime Exposures*. But we're not going to talk about all of that here. Instead, we're going to bring you updates.

First on the list is the final Guests of Honor roster. Unfortunately, due to time commitments with the new *Macross+* TV series, Haruhiko Mikimoto had to forgo his appearance this year. Other guests Shoji Kawamori and Minoru Takanashi also were unable to attend.

Now for those Guests of Honor that could make it. Scott Frazier, Allen Hastings, Izumi Matsumoto, and Nobuteru Yuuki will all be present. This means that you will still have an opportunity to practice your Japanese with these guests.

Finally, more updates abound in this issue, so make sure you check things carefully! You would not want to miss your favorite panel/autographing session/etc. Have fun!
